## June 2023 Newsletter

Dear Parents/Carers,

It's been great to have a bit of sunshine, so the children can spread out and enjoy playing on the field, especially after all our key assessment dates have now passed.

Year 6 did a great job of powering through their SATs in May, as did Year 2, Year 1 through their phonics check and Year 4, their multiplication tests. We were all ready for a bit of fun, after all the hard work.

We have lots of events coming up (on the back of this letter), which will end our school year with a cheer.

The weather held out for the Year 5/6 trip to **Robinwood** in Wrexham. It was wonderful to see the children in a completely different environment, working together as a team.

Thank you to everyone who came along to our **picnic and sports day**. We have had lots of feedback about the event. The children were overwhelmingly positive about the format. They felt that they enjoyed it more as they were constantly involved in events, instead of waiting around, and lots of them were relieved that they weren't being watched by 'everyone'.

### Industrial Action

As you are no doubt aware, an additional 2 days of industrial action have been called on the 5th and 7th July. They are on the calendar overleaf including the classes that may be affected. There is a possibility that they will be called off if the government and teaching unions settle. I will let you know if anything changes.

The strikes are happening because of a national dispute between the unions and the government over pay and funding for schools, and not because of any issues at our school.

### Summer Clubs

Summer clubs will run in school during the first week (Mon 24th July to Thurs 27th July) and then for the last 3 weeks of the holidays (Mon 14th Aug to Fri 1st Sept). Watch out for more information about this.

As you can see, we have lots going on as we finish the term.

The **summer fair** was organised for the 7th July, but as there is the probability of industrial action, it has been decided that a **summer raffle** would take place instead, as unfortunately the PTA are not able to coordinate and alternate date.

We have had another great year, full of lots of visits and visitors. I am always so proud to hear the positive comments and praise for the children and their behaviour and interest, wherever they go, or whoever comes into school.

Thank you, as always, for your support!
