

# Bryn St Peter's CE Primary School

## Pupil premium strategy statement

This statement details our school's use of pupil premium (and recovery premium for the 2021 to 2022 academic year) funding to help improve the attainment of our disadvantaged pupils.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

### School overview

Detail	Data
School name	Bryn St Peter's CE Primary School
Number of pupils in school	202
Proportion (%) of pupil premium eligible pupils	36%
Academic year/years that our current pupil premium strategy plan covers ( <b>3 year plans are recommended</b> )	2021 -2022 2022 – 2023 <b>2023 - 2024</b>
Date this statement was published	10/10/2021
Date on which it will be reviewed	01/09/2023
Statement authorised by	Julie Alcock
Pupil premium lead	Julie Alcock
Governor / Trustee lead	Mike Walker

### Funding overview

Detail	Amount
Pupil premium funding allocation this academic year	£117,915
School Led Tutoring Covid Recovery Grant	£4,455 + £10,730 = £15 185
Pupil premium funding carried forward from previous years (enter £0 if not applicable)	£0
<b>Total budget for this academic year</b> If your school is an academy in a trust that pools this funding, state the amount available to your school this academic year	£ 133,100

# Part A: Pupil premium strategy plan

## Statement of intent

Here at St Peter's CE Primary School, we deeply value creativity and joy in learning that allows everyone to achieve and flourish.

We want everyone to feel included, accepted, loved and positively understand their value and potential in our community.

We are committed to educating the whole person for life in all its fullness guided by Christian values.

Our ultimate objectives are:

- To narrow the attainment gap between disadvantaged and non-disadvantaged pupils, so that all disadvantaged pupils in school make or exceed nationally expected progress rates, at the same level as non-disadvantaged pupils.
- To support disadvantaged children in the new reception class 'to have a good start'.
- To ensure that all children in school have opportunities to extend their experiences.

How our current pupil premium strategy plan works towards achieving those objectives?

- By ensuring that teaching and learning opportunities meet the needs of all the pupils.
- Ensuring that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed.
- Providing funding to support inclusion of all in trips and enhancing experiences.
- Supporting excellent attendance at school.
- Ensuring that Bryn St Peter's reception class disadvantaged have the best start.

The key principles of our strategy plan:

When making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged.

We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.

Pupil premium funding will be allocated following a needs analysis which will identify priority classes, groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	Communication and language standards in foundation year
2	Personal, Social, and Emotional Development of children with SE challenges because of circumstances outside school
3	Catch up phonics across y1 and y2
4	Attendance
5	Close attainment gaps in Reading, Writing & Maths to meet age related expectations
6	Support development of 'sticky' knowledge
7	Facilitate opportunities to experience beyond the locality and culture

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

Intended outcome	Success criteria
Improved Speech and language in the EYFS and continuing throughout school.	<ul style="list-style-type: none"> <li>Evidence that children are making good starts evident through EYFS tracking</li> <li>Progress at least good in CLL at reception</li> <li>Outcomes of NELI programme show improvement</li> </ul>
Improve PSED, and characteristics for effective learning in reception class, following periods of loss of opportunities for development in this area for some children	<ul style="list-style-type: none"> <li>Success through the 'Learning to Learn' Programme.</li> <li>Attainment in this area to meet national expectations for end of EYFS</li> </ul>
Improved progress in Phonics	<ul style="list-style-type: none"> <li>At least meet national attainment standards for KS1 phonics. Ensure any catch up in year 3</li> </ul>
To ensure attendance is in line or exceeding national expectations. (Especially on return to school post lockdowns)	<ul style="list-style-type: none"> <li>Ensure attendance of disadvantaged pupils is above 96%</li> </ul>
Improved working memory of children	<ul style="list-style-type: none"> <li>Develop staff understanding and expertise to support children's understanding of metacognition and working memory.</li> </ul>
Progress in Reading, Writing, Maths	<ul style="list-style-type: none"> <li>Achieve national average progress scores in line with national attainment standards in KS2 Reading, writing and maths</li> </ul>

<p>To continue to provide enrichment experiences for learning they would not usually experience including links to Cultural Capital</p>	<ul style="list-style-type: none"><li>• Opportunities for visit/visitors and opportunities to extend cultural capital identified and offered through the curriculum.</li><li>• Pupils fulfil elements of The new 'keys to success" wider learning opportunities' offer for their year group.</li><li>• Pupils demonstrate an increased understanding of 'modern Britain'</li><li>• Music Tuition</li></ul>
---	--

## Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

### Teaching

Budgeted cost: £ 4000

Activity	Evidence that supports this approach	Challenge number(s) addressed
Whole school CPD to develop reading fluency, reading comprehension and writing opportunities.	EEF+6 months. Reading comprehension strategies are high impact on average Alongside phonics it is a crucial component of early reading instruction.	5,6,
Whole school CPD developing strategies based on Rosenshine's Principles to enhance Quality First Teaching	EEF +6 Feedback is information given to the learner about the learner's performance relative to learning goals or outcomes. It should aim to (and be capable of producing) improvement in students' learning. Feedback redirects or refocuses the learner's actions to achieve a goal, by aligning effort and activity with an outcome. It can be about the output or outcome of the task the process of the task the student's management of their learning or self-regulation, or about them as individuals (which tends to be the least effective).	5.6
Whole school CPD on Meta Cognition and to enhance Quality First Teaching	EEF +7 Metacognition and self-regulation approaches to teaching support pupils to think about their own learning more explicitly, often by teaching them specific strategies for planning, monitoring, and evaluating their learning. Interventions are usually designed to give pupils a repertoire of strategies to choose from and the skills to select the most suitable strategy for a given learning task	5,6
CPD for rec, Y1 and Y2 class teachers for the NCETM Mastering Numbers programme	High quality support for teacher professional development for the lead teachers, directed by the	5,6

	NCETM and facilitated by the local Maths Hub	
--	--	--

## Targeted academic support (for example, tutoring, one-to-one support structured interventions)

Budgeted cost: £ 92,488

Activity	Evidence that supports this approach	Challenge number(s) addressed
<i>To support identified pupils in reception class with CLL through the Nuffield Early Language Intervention programme</i>	EEF +6 Oral language interventions are based on the idea that comprehension and reading skills benefit from explicit discussion of either content or processes of learning, or both, oral language interventions aim to support learners' use of vocabulary, articulation of ideas and spoken expression.	1,5,6
<i>Support all pupils in reception class, Y1 and Y2 through The NCETM Mastering Numbers programme. (Embedding phase)</i>	This project aims to secure firm foundations in the development of good number sense for all children from Reception through to Year 1 and Year 2. The aim over time is that children will leave KS1 with fluency in calculation and a confidence and flexibility with number.	1,5,6
<i>One to one tuition in phonics/reading/writing/handwriting/ maths programmes throughout school, involving a teacher, or teaching assistant giving a pupil intensive individual support. It may happen outside of normal lessons as additional teaching – for example as part of extending school time or as a replacement for other lessons</i>	EEF+5 On average, one to one tuition is very effective at improving pupil outcomes. One to one tuition might be an effective strategy for providing targeted support for pupils that are identified as having low prior attainment or are struggling in particular areas.	1,3,5,6
<i>Small group tuition: one teacher, trained teaching assistant or tutor working with two to five pupils together in a group, enabling the teaching to focus exclusively on a small number of learners, usually in a separate classroom or working area.</i>	EEF +4 Evidence shows that small group tuition is effective and, as a rule of thumb, the smaller the group the better. Some studies suggest that greater feedback from the teacher, more sustained the engagement in smaller groups, or work which is	1,3,5,6

	more closely matched to learners' needs explains this impact.	
<i>*New Introduction of 'Reading Plus' in Y2 and KS2</i>	A fluent reading style can support comprehension because pupils' limited cognitive resources are freed from focusing on word recognition and can be redirected towards comprehending the text. For this reason, fluency is sometimes described as a bridge from word recognition to comprehension. <sup>26</sup>	5
<i>*New Introduction of a new writing curriculum, including a focus on handwriting</i>	Writing is a complex task because it requires pupils to coordinate a number of different processes at once. The Simple View of Writing highlights three overarching processes that are essential to writing. With extensive practice, explicit instruction, and encouragement pupils can become more adept at using these three overarching elements of writing and coordinating them in working memory can become less effortful. Teaching accurate letter formation is essential to improving the quality and fluency of pupil's handwriting.	5

## Wider strategies (for example, related to attendance, behaviour, wellbeing)

Budgeted cost: £ 42, 032

Activity	Evidence that supports this approach	Challenge number(s) addressed
After school clubs: art/science/physical, English, Maths catch up and enrichment opportunities Music Tuition	EEF +3 Arts participation- Improved outcomes have been identified in English, mathematics and science learning-EEF +2months The choices that schools make in allocating the money will be vital, so that the money can help raise children's attainment and aspirations- Sutton Trust	2, 5, 6, 7
Residential trip for Y5 and Y6 children , £100 contribution for all in receipt of PPG	EEF+4 Studies of adventure learning interventions consistently show positive benefits on academic learning. On average, pupils who participate in adventure	2, 5, 6, 7

	learning interventions make approximately four additional months' progress	
Twice monthly Attendance Meetings with Attendance Manager/HT, resulting in Early Help led by Attendance officer where appropriate  Parent RAG meetings/RAG letters  Early Help Meetings  Awards for attendance	Parental engagement and improved attendance will result in children feeling more included in the life of their school and will experience academic and social success.- Charlie Taylor Report. In 'Supporting the attainment of disadvantaged pupils; Articulating success and good practice' the authors discuss the importance of robust attendance data tracking and monitoring systems in schools, to address attendance issues. This allows patterns of absence to be scrutinised and then targeted interventions to be put in place.  Incentives to parents and children shown to increase attendance	4
Provide a nurture group for pupils identified as needing support to be ready to access their learning, and being 'ready to learn'	EEF +4 Evidence suggests that, on average, behaviour interventions can produce moderate improvements in academic performance along with a decrease in problematic behaviours. Impacts are larger for targeted interventions matched to specific students with particular needs or behavioural issues than for universal interventions or whole school strategies	2,5,6
Learning mentor to support children needing time to talk/Counselling	EEF +4 Alongside academic outcomes, SEL interventions have an identifiable and valuable impact on attitudes to learning and social relationships in school. Being able to effectively manage emotions will be beneficial to children and young people even if it does not translate to reading or maths scores.	2.5.6
Disadvantaged children to be provided with Milk and toast at morning break	Maslov's theories of ensuring children's basic needs are catered for to help them to learn. eg warmth, shelter and food	2,5
*New Counselling services bought in from Wigan Family Welfare	Children need to be ready to learn. Those who have suffered an adverse childhood experience will have improved opportunities if they are able to work through their challenges.	2

**Total budgeted cost: £ 138, 520**

## Part B: Review of outcomes in the previous academic year

### Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 2022 to 2023 academic year.

Activity	Impact 2023-2024																														
<i>Support identified pupils in reception class with CLL through the Nuffield Early Language Intervention programme</i>	Other Speech and language programmes were reference in 23-24, ie recommendations from Speech and language/Aspects of NELI to give more time on word reading/writing/comprehension. This was reviewed in 22-23																														
<i>Support all pupils in reception class, Y1 and Y2 through The NCETM Mastering Numbers programme.</i>	<ul style="list-style-type: none"> <li>• 93% of EYFS achieved GLD in 'Number'</li> <li>• 82% of EYFS achieved GLD in 'Numerical Patterns'</li> <li>• 77% of all pupils achieved the expected standard in maths by the end of year 2 (LA and national = 70%)</li> <li>• 77% of disadvantaged children achieved the expected standard in maths by the end of year 2 (LA 54% national 56%)</li> </ul> <p>Programme will continue to be embedded</p>																														
<i>One to one tuition in phonics/reading/writing/handwriting/ maths programmes throughout school, involving a teacher, or teaching assistant giving a pupil intensive individual support. It may happen outside of normal lessons as additional teaching – for example as part of extending school time or as a replacement for other lessons</i>	<p>Phonics outcomes:</p> <table border="1"> <thead> <tr> <th></th> <th>Number in cohort</th> <th>school</th> <th>LA</th> <th>National</th> </tr> </thead> <tbody> <tr> <td>All</td> <td>29</td> <td>72%</td> <td>79%</td> <td>79%</td> </tr> <tr> <td>Disadvantaged</td> <td>14</td> <td>57%</td> <td>66%</td> <td></td> </tr> <tr> <td>Non disadvantaged</td> <td>15</td> <td>87%</td> <td>84%</td> <td></td> </tr> </tbody> </table> <p>KS1 outcomes</p>		Number in cohort	school	LA	National	All	29	72%	79%	79%	Disadvantaged	14	57%	66%		Non disadvantaged	15	87%	84%

#### KS2 outcomes

reading	Number in cohort	school	LA	National
All	31	74%	75%	73%
Disadvantaged	11	64%	64%	60%
Non disadvantaged	20	80%	80%	78%

Writing	Number in cohort	school	LA	National
All	31	74%	76%	71%
Disadvantaged	11	64%	62%	58%
Non disadvantaged	20	80%	82%	77%

	Number in cohort	school	LA	National
All	31	81%	77%	73%
Disadvantaged	11	82%	63%	59%
Non disadvantaged	20	80%	83%	79%

By the end of ks1 disadvantaged performed better than LA and national in reading and maths. More support needs to be tailored in the teaching of writing

By the end of ks2 disadvantaged were performing better or in line with LA and national

After school clubs:  
art/science/physical, English,  
Maths catch up and  
enrichment opportunities  
Music Tuition

- Children who had fallen behind were identified and 'After School learning clubs' and pre school sessions were led by 1 teacher and 2 TAs, in attempt to narrow the gap.(see data above for results)
- Enrichment clubs were also offered with PP children targeted.

	<ul style="list-style-type: none"> <li>• Music tuition was offered across school and funded for pp children</li> </ul>																																																																																				
Residential trip for Y5 and Y6 children , £100 contribution for all in receipt of PPG	11 disadvantaged children were given £100 contribution (an additional £100 per child who applied was donated by a local charity, bringing the cost down significantly)																																																																																				
<p>Twice monthly Attendance Meetings with Attendance Manager/HT, resulting in Early Hel led by Attendance officer where appropriate</p> <p>Parent RAG meetings/RAG letters</p> <p>Early Help Meetings</p> <p>Awards for attendance</p>	<p><b>Whole school attendance from 03<sup>rd</sup> September to 04<sup>th</sup> July 2022</b></p> <p><b>Period: 05/09/2022 to 27/06/2023</b></p> <table border="1"> <thead> <tr> <th>Group</th> <th>Presents</th> <th>AEA</th> <th>Authorised Absences</th> <th>Unauthorised Absences</th> <th>Possible</th> <th>% Attend</th> </tr> </thead> <tbody> <tr> <td>YR</td> <td>93.5</td> <td>0.0</td> <td>5.6</td> <td>0.9</td> <td>100.0</td> <td>93.5</td> </tr> <tr> <td>Y1</td> <td>93.6</td> <td>0.0</td> <td>4.5</td> <td>1.9</td> <td>100.0</td> <td>93.6</td> </tr> <tr> <td>Y2</td> <td>95.1</td> <td>0.0</td> <td>4.0</td> <td>0.9</td> <td>100.0</td> <td>95.1</td> </tr> <tr> <td>Y3</td> <td>95.1</td> <td>0.0</td> <td>3.9</td> <td>1.0</td> <td>100.0</td> <td>95.1</td> </tr> <tr> <td>Y4</td> <td>92.5</td> <td>1.7</td> <td>3.5</td> <td>2.2</td> <td>100.0</td> <td>94.3</td> </tr> <tr> <td>Y5</td> <td>93.4</td> <td>1.2</td> <td>4.1</td> <td>1.4</td> <td>100.0</td> <td>94.6</td> </tr> <tr> <td>Y6</td> <td>94.5</td> <td>0.6</td> <td>3.2</td> <td>1.8</td> <td>100.0</td> <td>95.0</td> </tr> <tr> <td>Totals</td> <td>94.0</td> <td>0.5</td> <td>4.1</td> <td>1.4</td> <td>100.0</td> <td>94.5</td> </tr> </tbody> </table> <p>With reception taken out of the above table, the overall percentage for Y1-6 is 94.6% National attendance in primary schools this year to date is currently 94%, last updated 26th May 2023).
